

CCBD 2019

CALL FOR PAPERS

Topics of interest for submission include, but are not limited to :

Cloud computing
Cloud Optimization and Automation
Cloud Management and Operations
Intelligent Data Processing
Semantic web technologies
Cloud Architecture
Cloud system design
Security and Privacy in Cloud
Big Data
Big Data Analysis
Machine learning
Data mining
Querying and search
Data Lifecycle Management
Storage and analytic architectures
Performance and debugging
Data Flow management

The 2nd International Conference on Cloud Computing and Big Data will cover issues on Cloud Computing and Big Data and dedicate to creating a stage for exchanging the latest research results and sharing the advanced research methods.

Conference Date: December 13-15, 2019

Venue: Bangkok, Thailand

Registration Deadline: May 12, 2019

Publication and Presentation

Publication: Open Access Journal.

Index: CNKI and Google Scholar

Note: If you want to present your research results but do NOT wish to publish a paper, you may simply submit an Abstract to our Registration System.

Venue

Bangkok, the city once known as Siam, remarkably known to be exotic and rich in culture, is the cultural, economic and political capital of Thailand. The city features both old-world charm and modern convenience. Amidst the gleaming skyscrapers of Bangkok, one would still see traditional architectures such as temples, illustrating the retention of its identity whilst being a cosmopolitan city.
