

CiSE 2019

CALL FOR PAPERS

Topics of interest for submission include, but are not limited to :

Artificial Intelligence
Artificial Neural Systems
Biological Computing
Intelligent Systems
Knowledge Discovery
Machine Learning
Reinforcement Learning
Data Mining
Clustering Algorithms
Database Querying
Software Engineering
Software Architecture and Design
Agile Software Development
Security and Reliabilities Issues
Particle Swarm Optimization
Evolutionary Algorithms
Cloud, P2P and Mobile Computing

The 12th Int'l Conference on Computational Intelligence and Software Engineering will cover issues on Computational Intelligence and Software Engineering and dedicate to creating a stage for exchanging the latest research results and sharing the advanced research methods. .

Venue

Bangkok, the city once known as Siam, remarkably known to be exotic and rich in culture, is the cultural, economic and political capital of Thailand. The city features both old-world charm and modern convenience. Amidst the gleaming skyscrapers of Bangkok, one would still see traditional architectures such as temples, illustrating the retention of its identity whilst being a cosmopolitan city.
